

SOCIAL MEDIA KIT

Help Spread the Word About Community Relay!

Our Social Media Kit empowers you to share the message of support and the availability of CommunityRelay.com with your social networks. Together, we can make an impact and connect individuals with the vital resources they need.

In this kit, you'll find a collection of ready-to-use social media content. We encourage you to use these materials across your social media platforms to raise awareness about the importance of asking for help and how Community Relay can help users quickly find local support.

The images are sized for both Facebook and X. You are welcome to use the png files as is. Or, if you would like to incorporate your organization's logo, we have provided the native Illustrator files as well.

Here's how to make the most of this kit:

- **Caption It:** Choose from our selection of ready-to-use captions that effectively convey the message of support and highlight the ease of finding help with CommunityRelay.com or feel free to customize them to match your unique voice and style.
- **Grab Their Attention:** Help catch the eye of your followers. Select the visuals that resonate with you and your audience, and pair them with the provided captions for maximum impact.
- **Spread the Word:** Share the content on your social media channels. Tag Community Relay and findhelp and use the suggested hashtags to reach a wider audience.
